## **PRESS RELEASE**

### **VisiCom Systems, Inc. welcomes Dennis F. Perry, Ed.D, as new Senior Sales Executive.**

STONE MOUNTAIN, GEORGIA, October 8, 2005 – VisiCom Systems, Inc., a videoconferencing systems integrator offering a comprehensive package of videoconferencing systems and services, announced that Dr. Dennis Perry has joined the company as Senior Sales Executive.

Dennis retired from the State of North Carolina last year after eleven years of service working in Information Technology Services. His last position was Operations Manager for the North Carolina Information Highway. Prior to his service with the state, Dennis spent twenty-two years at Gaston College. His last position at Gaston College was Dean of Distance Learning.

“Dennis brings a wealth of experience to the newly created position of Senior Sales Executive for North and South Carolina. He has a keen understanding of the technology and more importantly, understands the application and benefits of distance learning”, said Leonard Salley, President of VisiCom Systems.

VisiCom Systems is a leading videoconferencing integrator specializing in the distance learning market. They have installed systems at community colleges, high schools, health departments and state agencies. VisiCom sells and services videoconferencing products from Tandberg, Polycom and VTEL.
